PRESIDENT'S CORNER

As you will recall, at our December second meeting we voted to send a letter to Senator Pierce, Head of the Senate Committee on Health and Social Services stating our support of Senate Bill #716. Letters were sent to Senator Pierce and to Senator Irwin, and other members of the Senate Health Committee.

In his reply Senator Pierce stated that his committee will consider the Bill when "the Legislature returns from its holiday recess."

I have a copy of Senate Bill #716 as does Richard Miller.

If you would like to be called any time there is action coming up in the Michigan legislature which will affect genealogists' access to vital records (birth, death, marriage and divorce), please call me or send me a post card with your phone number. We often do not have time to send out a notice, so telephoning those who are interested is the next best way to get information out.

- Phyllis Jones

HISTORY OF

THE GENEALOGICAL SOCIETY OF

WASHTENAW COUNTY, MICHIGAN, INC.

The papers of Ralph and Lydia Muncy and of Alloa Anderson are primary sources for this review of the birth and development of The Genealogical Society of Washtenaw County, Michigan, Inc. They have provided a chronology of events and the evolution of the Society's growth. Its beginnings can be traced to the Washtenaw County Historical Society.

The Bylaws of the Washtenaw County Historical Society provided for a genealogist, a geologist and a historian. Ralph Muncy served as genealogist for a number of years. In 1975 Harold Jones and Ralph and Lydia Muncy were appointed by the Historical Society to revise its Bylaws. One of the provisions suggested by this committee was to establish various sections or interest groups within the Society.

With the adoption of this provision Mr. and Mrs. Muncy invited those interested in genealogy to meet at their home on February 24, 1974 to discuss the formation of a genealogical group. Ralph Muncy was elected temporary Chairman and Ethelyn Morton was temporary Secretary. In March the Washtenaw County Historical Society communicated its desire to have the genealogy group as a section, and Harold Jones was appointed to draw up Bylaws for the genealogy group. They were adopted at the April meeting of the genealogy group and were submitted to Washtenaw County Historical Society for approval.

The following are the Charter Members of the fledgling society to be known as the Genealogical Section of Washtenaw County Historical Society:

Leigh and Alloa Anderson
William and Polly Bender
Flora Burt
Harold Jones
Betty Knepper
Marguerite Lambert
Kathryn Lohr
James Wolf
Richard Miller
Doris Milliman
Ethelyn Morton
Ralph and Lydia Muncy
Dorothy Ouradnik
Patricia Shanefelt
Margaret Sias

In May of 1974 the Genealogical Section joined the Michigan Genealogical Council which seeks to coordinate and encourage activities in the field of family history throughout the state. The Genealogical Section of WCHS successfully hosted the Annual Seminar of the Michigan Council September 9 - 11, 1977 at Hoyt Conference Center on the campus of Eastern Michigan University, Ypsilanti.

Since many members of the Genealogical Group had no ties to early Washtenaw County history, they began to reevaluate their purpose, and at the Annual Meeting in June 1977 the group decided to sever connections with the Historical Society and revise its Bylaws. Harold Jones with the assistance of William Bender was requested to prepare revised Bylaws and to make application for incorporation. A librarian and one additional director to the Board was also authorized.

The amended Bylaws were adopted at the September 25, 1977 meeting of the Genealogical Section of the WCHS. The Genealogical Section thereby became the Genealogical Society of Washtenaw County Michigan, Inc. A letter of withdrawal from the Washtenaw County Historical Society was sent in September.

The early meetings of the Genealogical Group of WCHS were informal as the members interacted and determined the expertise and needs of its members. The first project was to research the pioneer families of Washtenaw County. This is an ongoing project. While not spelled out in chronology, it is evident there was a need to become aware of available sources of genealogical records, how and where to obtain them and their relation to the history and geographical boundaries of the period.

Another prime purpose has been to share information and expertise. The willingness of the original members to be helpful caused the Society to outgrow the homes of the members, where most meetings were held over a period of several years. During the administration of Dr. William Bender a permanent meeting place was arranged with Washtenaw Community College. The college also provided a room in their library for our Society to house it's ever growing collection of books.

The names of the founding members are repeated again and again as they assumed leadership roles in furthering the purpose of the Society and nurturing its growth. Attendance of 40 - 75 at the regular meetings speaks well of their efforts and enthusiasm.

The Society has attempted to meet the needs of the membership and the community of Washtenaw County by sponsoring workshops and classes, publishing, acquiring library materials, and reading cemeteries in Washtenaw County. Programs provided at the regular meetings have included experts from leading libraries in the state holding genealogical materials and historical perspectives of interest to genealogists; members and guest speakers have discussed the "How To" in genealogy and the use of all kinds of local, state and national records and described pitfalls and "finds" in their work. About 1 1/2 hours is given to free time for members and friends to seek help with individual problems of knowledgeable members.

A very real bond of fellowship and friendship exists in this group of individuals with diverse backgrounds working together with common interests and ambitious goals.

- Erma and Alvin Joslyn

A SPECIAL THANKS

A group of active members who have been a part of our Society since the early meetings are responsible for the present success of the Society. They shared their knowledge of genealogy with us, as well as interested other people of the community. Always willing to share, they taught us the finer points of ancestor hunting.

Through their efforts and, in many cases, through their donations, the Society has a collection of books and periodicals useful to all genealogists. Because of their efforts the value of genealogy has become known in our community.

These members are:

Alton Anderson
Leigh Anderson
Polly Bender
William Bender
Flora Burt
Harold Jones
Marguerite Lambert
Lydia Muncy
Ralph Muncy
Margaret Sias

Special thanks should go to Lydia and Ralph Muncy. They generously used their printing press to produce the printed materials which the Society needed - meeting notices, membership lists, the Pilling booklet, worksheets, and other needed papers.

WASHTENAW COUNTY PIONEER FILE

This card catalog file was begun by Mr. William T. Groves (1 -1) and was a gift of the Washtenaw County Historical Society. In the Fall of 1944 Mrs. A. S. Hazzard volunteered to alphabetize the cards, eliminating duplicate cards and trying to bring them up to date. She devised a code by which any new information also included the souce of that information.

The card file was signed out to the Genealogical Society when the Washtenaw County Historical Society moved its artifacts from the Poole barn to Willow Run storage. Mary Lou Barry, GSWC member, is currently working on the cards, having them copied and trying to add any additional information. If you have any additional information or corrections to be made on the Pioneers, please contact Mary Lou c/o the Society, listing information and source. Instead of starting our list with the "A"s then the "B"s, etc., we are printing the first ten cards of each letter. When we finish with the alphabet we will go back to "A" and continue with another group of ten.

The code is a number on the right hand of the card indicating the source.
